

My name is C R Venkataramu (Venkat). I have been associated with the temple since 2001. I have actively volunteered mostly with Prasadasadana for many years (2001 - 2015). I have served as a trustee (including the current term), and a member of the election committee (a couple of times) as well as the executive committee (2014 -15). The temple has made incredible progress in serving the Hindu Community of greater Tampa Bay for over two decades. I will appreciate the honor and privilege of serving the temple and its community in meaningful ways.
