

I , Malini Tangirala. have been a part of the Tampa Bay community for the past 15 years and a genuine believer in Manava Seva Madhava Seva. I have a passion for serving my community. I have had the opportunity to contribute to many local nonprofit organizations throughout my life and I am privileged to have been a part of the Hindu Temple of Florida for nearly 15 years.

I began my journey within the Hindu Temple of Florida as a volunteer for over 4 years. With a desire to contribute further, I took on the challenge becoming the Food Committee Co-Chair, Volunteer Committee Chair, Finance Committee Member, Bylaws Committee Member, and Special Project Coordinator in the years following. I have been honored to serve as a Trustee of the Hindu Temple of Florida for the past 4 terms.

In my time with the Temple, I have played a pivotal role in initiating the Prasad Sadan volunteer assignment process, bringing structure and efficiency that is still the basis of operations today for the catering services. As Volunteer Chair, I was responsible for all volunteer assignments on a weekly basis and collaborating with other committee chairs to effectively staff volunteers for all special events to ensure successful outcomes.

As Special Projects Coordinator I have taken a lead role in Brahmotsavam celebrations as well as the yearly Devotee Appreciation and Diwali dinners. I served as a Special Coordinator during Maha Kumbabhishekam, a 5 day celebration, where I lead the Souvenir Team and successfully released the souvenir "Satya Darshanam".

Beyond the formal roles within the Temple, I feel humbled and blessed to have had the opportunity to be a volunteer at numerous events that have taken place with the Hindu Temple of Florida.

With the blessings of Sri Satyanarayana Swamy, and your support I would like to seek a Trustee position once again and serve the Lord and my community.

Om Namō Narayanaya !
