

Prakash Penta

As a member of the Hindu Temple of Florida, it's always been an honor & privilege to serve and help our community. With the blessing of our divine Lord and the trust and support invested in me by other volunteers along with our Priests, Trustees, Presidents & Executive committee, I was able to help in few of the ways possible and accomplish the following:

- **Volunteer** to date
- **Co-chair Prasad Sadan 2020-22**
 - **Pushkara Kumbhabhishekam** - Successfully coordinated the Maha Prasadam distribution in 2022.
 - Setup a **new procedure** around the groceries and paper products **purchases**.
 - **Encourage** and increase **youth volunteers** participation.
 - **Setup and manage** the **Square Point of Sale**, which gave us more visibility into the quality feedback from devotees along with the trends.
- **Chair Election Committee - 2022**
 - **Digitized the formal documents** needed for our trustee elections so that they can be easily modified and **reused** during all future needs.
 - Successfully coordinated the 2022 election process with the help of the members.
- **Chair Prasad Sadan - 2022 to date**
 - **Prasad Sadan is now mostly open** on all the days except Wednesdays.
 - We now have **Commercial License** along with **ServSafe Certified Staff**.
 - **Standardized menu** for Prasadam distributions and **Thali** during Festivals
 - **Filtered water** for the entire Prasad Sadan usage.
 - We are now equipped with a **Chapathi machine** and in the process of procuring a Vada machine.
 - **Biodegradable** paper products as part of environmental responsibility.

I wish to continue to serve & help as Prasad Sadan chair and or other committees along with becoming a Trustee with your support and blessing, to serve for the greater good of our beloved Temple.

I humbly seek your trust, support & consideration to Vote for me as Trustee.
