RE: Hindu Temple of Florida Trustee Profile 2024-26

Dear Chairman,

My name is Rajyam Korabathina. I have been part of the Hindu Temple of Florida since 1986 and I have been a Regular Trustee for over 10 years. My primary focus has been the Prasada Sadan but I have also been part of the Religious committee. I enjoy dedicating my free time to the various temple activities. I believe I have a strong work ethic and get along well with others. I plan to continue my efforts toward improving the food service but I am also open to taking on new challenges.

Respectfully,

*P. Rajyam Korabathina .*
