

## **Smt. Uma G. Setty**

Dear Devotees,

I have a keen interest and belief in Temple as a place for worship and community support. I have been a volunteer at Hindu Temple of Florida for over a decade.

I have worked in several committees in different capacities like Chairperson for Food, member for Religious, Cultural, and Voluntary committees. Also, I have managed Prasad Sadan operations and coordination for major festivals and community events.

I would like to leverage my past experience as a trustee to support and guide expanding devotees' population in greater Tampa Bay area in the coming years. I feel that my experience, passion, sincere dedication to serve the Temple and the devotees make me a stronger choice to be on the Board. I sincerely looking forward your support in the upcoming temple trustee election for 2024 to 2026.

Thank you

Uma Setty
